## CORPORATE INFORMATION

**Asia United Insurance, Inc. (AUII)** was established to write non-life insurance business and to play a dynamic role in the economic growth and development of the Philippines.

The Company is a joint venture of a consortium of reputable and successful businessmen who share a common commitment to deliver quality insurance service to the insuring public. This is their concrete response to the challenge to Filipino entrepreneurs to take an active role in fueling the growth of the industry and the national economy.

A 100-percent Filipino-owned company, AUII is one of the youngest domestic non-life insurance companies in the country. It was registered with the Securities and Exchange Commission on May 25, 2000 and granted a Certificate of Authority to operate as a non-life insurance company by the Insurance Commission on August 24, 2000.

After just twenty five (25) years after it commenced operations on September 1, 2000, **Asia United Insurance, Inc.** already established a dynamic presence in the insurance industry. Being affiliated with Asia United Bank gave the Company the competitive edge among its peers in the non-lifer insurance sector.
